

2021 Bareroot Fruit Tree Order Form

Name _____ Phone number _____

The following varieties are available for us to order from our supplier, Bailey Nurseries. The top list are those which we plan to order. You can order any quantity you'd like.

The bottom list are other varieties which can be ordered if we have enough interest. Our vendor requires a minimum of 5 per variety. We are happy to order additional varieties if have pre-sold at least 3 of the 5. Even if you don't need 3, you can submit your request – maybe someone else is requesting the same one!

Things to note:

- Fruit Trees will be \$29 each unless otherwise noted.
- 2021 Bareroot Weekend is March 26-27. Any reserved items not taken by March 30 will be potted and released for general sale.

▪ Trees are semi-dwarf and Apple and Pears are on M-7 rootstock unless otherwise noted.

▪ We will place our order now. Unfortunately, there is a chance that we will not get everything we request.

Confirmations may not be received from Bailey Nursery until January. We will assume all is good but if we find out there is a problem with your request, you will be notified as soon as possible.

▪ Bareroot product comes with a 30 day guarantee. If your product does not break dormancy you will be given a replacement if available or a store credit.
