## 2024 Bareroot Small Plant Order Form

Name \_\_\_\_\_ Phone number \_\_\_\_\_

E-mail Address \_\_\_\_\_

**Early Fruit Request Form is DUE July 15th.**  
 PH 660-359-2699 660-359-2600 beth@barnesgreenhouses.com

The following varieties are available for us to order from our supplier, Bailey Nurseries. The GREY highlighted are those which we plan to order. You can order any quantity you'd like. The other varieties can be ordered if we have enough interest. Our vendor requires a minimum of 10 per variety. We are happy to order additional varieties if have pre-sold at least 5 of the 10. Even if you don't need 5, you can submit your request – maybe someone else is requesting the same one!

Things to note:

- 2024 Bareroot Weekend is March 29-30. Any reserved items not taken by April 2 will be potted and released for general sale.
- We will place our order now. Unfortunately, there is a chance that we will not get everything we request. Confirmations may not be received from Bailey Nursery until January. We will assume all is good but if we find out there is a problem with your request, you will be notified as soon as possible.
- Bare Root product comes with a 30 day guarantee. If your product does not break dormancy you will be given a replacement if available or a store credit.
- In the event of a price increase from our supplier, our prices could change. If that happens, customers will be contacted for pre-approval prior to our sale weekend.

Qty Requested	Small Plants	Size	Price
---------------	--------------	------	-------
